

Pandemic Protocols for Winter 2022/2023 Trade Shows

360 Adventure Collective will be adhering to the following health and safety policies for the upcoming Winter 2022/2023 season:

- ◆ Follows the state, county, and facility requirements where each trade show is taking place.
- ◆ Proof of vaccination is not required.
- ◆ Masks are not required but recommended. Please be aware that this may change up to the morning of the show. Please arrive prepared with a mask.
- ◆ If you are experiencing symptoms, please take an at-home test. If negative, you may attend wearing an N95 mask (per CDC recommendations).
- ◆ If the event is canceled, the regional board will review booth refund options.
- ◆ Post Show, if you test positive, please notify your appointments and 360 AC staff.
